**"COMMERCIAL OR INDUSTRIAL STRUCTURE"** - means structure or part thereof used for the manufacturing, processing or assembling of material or manufactured products, or for research, office, industrial, commercial, retail, recreational, hotel or motel facilities, or warehousing purposes, or for any combination thereof, which the governing body determines will tend to maintain or provide gainful employment within the municipality, assist in the economic development of the municipality, maintain or increase the tax base of the municipality and maintain or diversify and expand commerce within the municipality. It shall not include any structure or part thereof used or to be used by any business relocated from another qualifying municipality unless: the total square footage of the floor area of the structure or part thereof used or to be used by the business at the new site together with the total square footage of the land used or to be used by the business at the new site exceeds the total square footage of that utilized by the business at its current site of operations by at least 10%; and the property that the business is relocating to has been the subject of a remedial action plan costing in excess of \$250,000 performed pursuant to an administrative consent order entered into pursuant to authority vested in the Commissioner of Environmental Protection under P.L. 1970, c.33 (C.13:1D-1 et seq.), the "Water Pollution Control Act," P.L. 1977, c.74 (C.58:10A-1 et seq.), the "Solid Waste Management Act," P.L. 1970, c.39 (C.13:1E-1 et seq.), and the "Spill Compensation and Control Act," P.L. 1976, c.141 (C.58:10-23.11 et seq.)
