# ***Traffic Safety Advisory***

October 12, 2017

**To:** Residents of 100 and 200 Block of Lincoln Avenue  
Residents of Camden Avenue

**From:** Magnolia Police Department and Magnolia Office of Emergency Management

**Subject:** Street Parking during Atlantic Avenue Construction

As you are aware, there is a major construction project involving South Jersey Gas resulting in the closure of East Atlantic Avenue from Lincoln Ave to Davis Road. This closure could last as long as one month. As you likely have already observed, this is causing a major increase in traffic on your streets and other locations in the town. Specifically, heavy volumes of traffic will occur during the morning and evening rush hours. The school dropoff and pickup times are also heavily impacted in the area of Magnolia Public School.

Out of concern for your safety, and those traveling on your streets, we would like to strongly recommend that you park your cars off of the street. We understand some of you may not be able to do this for all of your vehicles or you may not have a driveway, so this is not a mandatory order. It is however, a strong recommendation for not only safety reasons, but to best protect your parked vehicle from any potential damage as a result of an accident.

Although this project is not the responsibility of the Borough of Magnolia, we understand and appreciate the inconvenience it causes to our residents. Please be assured that we are taking this issue very seriously, and are doing what we can to minimize the safety issues it causes.

If you have any questions or issues related to this alert, please feel free contact the Magnolia Police Non-Emergency Number at 856-784-1884. We will be happy to answer any questions or concerns.

Thank you for your attention to this alert.
