

Join the Sterling Silver Knights Marching Band & Color Guard!

Learn to play, spin, perform and have fun!

Marching Bands & Color Guards can be found in most high school & colleges. In college, most marching band programs offer scholarships to members with high school experience. The Sterling HS Marching Band Program is the perfect way for any student to get prepared for the college opportunity and also develop coordination, social, and leadership skills through musical and visual performance.

The Color Guard utilizes flags, sabres, rifles, as well as different styles of dance. The guard uses this choreography and equipment for added visual appeal during a marching band show, creating a complete musical and visual production.

The marching band and color guard perform during Sterling football games at halftime and at competitions in the Tournament of Bands circuit.

The Marching Band & Band Camp is run by Director Mr. Belskis, assisted by his excellent, experienced staff. Never marched before or are interested in color guard? Its ok, **WE WILL TRAIN!** No marching or color guard experience necessary! Musicians however should have some playing experience. Being a part of this program is a great way to make new friends and experience new things. The first week in May there will be a "Meet and Greet" for student's grades **8** thru **12** where registration will occur or anytime on the web at MBELSKIS@sterling.k12.nj.us or 856-566-4190.
