

School clothes Exchange

Have your children outgrown their school pants or shirts? Have they graduated?

Are you willing to donate any of these items to other families? Please send in your gently used, laundered items to the office by Wednesday, June 13, 2007.

We will hold an exchange on Friday the 15th of June from 2:00-3:00 in the cafeteria. You may come in and see what is available on that day.
