A MESSAGE FROM MAGNOLIA POLICE CHIEF ROBERT DOYLE

DEAR TOWN WATCH VOLUNTEER,

Welcome to the MAGNOLIA TOWN WATCH Program and thank you for your concern and assistance.

The ultimate goal of the Magnolia Police Department is to significantly reduce the number of criminal offenses which take place in the Borough. Unfortunately, the police have very little control over those causative factors which produce crime. By ourselves, the Police can do very little.

The community on the other hand, has somewhat more control over these factors. With guidance and assistance from the Magnolia Police Department, A community with wide effort to prevent crime has the best chance of achieving a sizeable reduction in the growth of crime in the Borough of Magnolia.

We firmly believe that the security of the Borough of Magnolia and it's citizens depends upon the people themselves, and that no police department can effectively protect life and property without the support and cooperation of the citizens it serves.

The Magnolia Town Watch program establishes a formal network for concerned citizens to take an active part in the crime reduction efforts by reporting suspicious activity to the Magnolia Police Department.

The Police need your help, eyes and ears. Criminals can not and will not operate in areas where the citizens are alert. Help us, help you make Magnolia a better place to live and work.

Sincerely,

Chief Robert Doyle
